

Fall 2022

Graduate School Workshop Series

Preparing for Comprehensive Exams

Date: Thursday, September 29, 2022

Time: 11:30 am – 12:30 pm

Location: Zuhl Library, Room 225

This workshop will present the strategies needed to maximize the knowledge you have gained during your graduate studies. The learning and academic skills discussed will empower you to plan, prepare, and execute a successful Comprehensive Examination.

Financing your Graduate Degree

Date: Wednesday, October 12, 2022

Time: 12:00 pm – 1:00 pm

Location: Zuhl Library, Room 225

Explore ways to pay for graduate school. In this workshop, you will learn about viable funding sources and other options for financing your graduate education.

Seeking Funding for Research & Conference Presentations

Date: Thursday, October 27, 2022

Time: 1:00 pm – 2:00 pm

Location: Zuhl Library, Room 225

This workshop will provide funding opportunities information and will provide you with a general overview of where to research internal and external funding sources.

Career Readiness

Date: Friday, November 11, 2022

Time: 11:00 am – 12:00 pm

Location: Zuhl Library, Room 225

Learn about the skills necessary to become productive members of the workforce. The workshop will provide you with strategies for a successful transition into your career.

Managing Stress & Anxiety

Date: Thursday, November 17, 2022

Time: 12:30 pm – 1:30 pm

Location: Zuhl Library, Room 225

Understand how stress and anxiety can affect the body and mind. Learn strategies and techniques to help better manage these feelings, which can lead to a more balanced school, work, and personal life.

Grant Development

Date: Friday, December 2, 2022

Time: 11:30 am – 12:30 pm

Location: Zuhl Library, Room 225

This workshop will present how to plan and develop grant proposals. Learn from experienced grant writers how to seek grant opportunities and produce a high quality proposal.
